Dear Friends and Supporters:

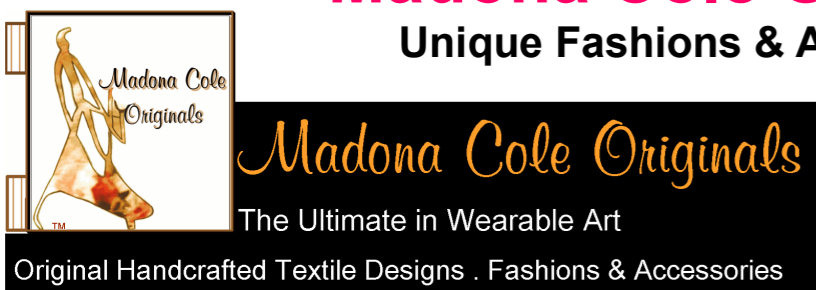

I am inviting you to be a part of a worthy cause as I partner with the long Island Way to help raise funds for two long Island-based non-profit organizations. As one of the two featured presenters of fashions for the evening, I can guarantee an enjoyable evening for all - with good food and excellent company, against the backdrop of my latest collection of unique hand-crafted fashions and accessories, as well as "unique woman's Designer Fashions" presented by Mary Onorato and Maria Reitana. You are encouraged to pre-purchase tickets directly from the [Long Island Way](#) .

Below is the lineup of beautiful, strong, powerful and kindhearted women who have volunteered time from their busy schedules to support this cause by bringing Madona Cole Originals to life on the runway. Please join me as I seize upon the occasion of Women's History Month to simply say to them, "I admire your strength and tenacity!"

We thank you for your support, and I hope to see you on March 29th.
