

*We would be remiss if we did not say an equally big 'Thank You' to all those who took time off their busy schedules to attend this fundraising event. Thank you Donna Cariello for spearheading this initiative.*

I would like to tell the world about fourteen wonderful, giving, caring, sensitive and effective women that I know.  
(Yes Grace, that includes you.) So here goes!

"Thank You" is in order for the role you played in highlighting Madonna Cole Originals Wearable Art at the recent **"Spring into Fashion" benefit fashion show event**. I have received many compliments and reports on the exceptionally high level of camaraderie that was present at that place. I want you to know that I love each and every one of you. I will forever be grateful to you for your unequivocal support. Deanna Marshall's Mary Kay Cosmetic Crew, thank you for the exceptional job you did in making us look so beautiful. Tina, you are not only a great make-up artist, but your role behind the camera was impressive too! Thank you.

I would also like to extend my gratitude to the men whose respective supportive role did not go unnoticed or unappreciated. I say 'Thank You' Nigel Gretton (**Nigel Gretton Music Production**) I acknowledge your graciousness and on target contribution of music for the occasion, the professional services of **Galvin-Bisserup Photography, Preferred Events** (Videographer), and last but not least, my other half, James A. Lacy, for his unwavering support. I am looking forward to celebrating the essence of life with you some more at our upcoming photo/video viewing event.
